ACTIVITY

Session aims

- What is GREEN and learning power?
- Why are we doing it?
- How do we promote it?
- What can I take from this?

ACTIVITY

Write on a post it your most valuable learning experience that you can think of.

Promoting the GREEN values

- GREEN vision for learning
- Learning power
- Learning Line
- Project based learning

My Fortnightly Planning and Review

G	**My plan**
	The learning focus of the fortnight is ……….
R	How skilled do you think you already are at using this learning habit? Why?
	When do you think you have already demonstrated this habit?
	What areas would you like to improve in?
E	How, when and where do you plan to do this?
	My reflection
E	Where do you think you are at now with this learning habit?
	Have you progressed? How do you know?
N	What did you do to move forward?
	What do you still want to improve?

What the students say…

- The GREEN project

- The Learning line

- Personal Experiences (video from year 9 student)

ACTIVITY - REFLECTION

G	**Where am I now? / Where is my school now?**
R	**What am I / are we already doing to build transferable skills / learning power?** ● ● | ● ●
E	**Where would I like to be? Where would I like my school to be?**
E	**What do I/we need to do to get there?** ● ● ● ●
N	**What one strategy will I try when I get back to school?**

What can I take back?

- Use 'shift happens' to raise awareness for staff and students.
- Plan lessons for skill focus not just content driven.
- Use post-it activity with staff and students - important of real life learning.
- Educate and promote a growth mindset.
- Learning line - for AfL, students' self-assessment, staff reviews.
- Classroom displays to promote consistency.
- Opportunities for creativity, trying new things, risk taking - staff and students.
