

SSAT Secondary Network

SSAT Secondary Network

The SSAT Secondary Network is the most vibrant and longest-standing network of schools in the UK. Informed by 30 years of experience of helping schools improve, SSAT membership gives you the opportunity to collaborate and share knowledge, benchmark your performance, learn from best practice and access the latest policy guidance.

 MEMBERSHIP

WHAT SSAT SECONDARY MEMBERSHIP INCLUDES

SSAT Relationship Manager

An SSAT adviser assigned to your school who listens to your priorities and ensures you're accessing all the key insights and information the network has to offer to drive your school forward. They will connect you with schools in the network who share your challenges, point you to relevant CPD and help you explore new angles and solutions.

SSAT Educational Outcomes

SSAT's unique performance analysis tool, combining official DfE and Ofsted sources into one database to show you performance data on your own school and how it compares to every state-funded school in the country.

SSAT Framework for Exceptional Education

SSAT's flagship school improvement framework, helping you to evaluate your practice and identify areas for improvement.

SSAT Student Leadership Accreditation

Empower students with the SSAT Student Leadership Accreditation scheme – an innovative way of formally recognising student leadership skills.

The Exchange

Your member-exclusive website full of publications and resources to help you turn innovative ideas into proven solutions for your school.

SSAT Journal

SSAT's termly journal celebrates and shares the outstanding practice, strategies and innovations in our schools, for the benefit of all the schools in our networks.

Sunday Supplement

A weekly snapshot email delivered to your inbox every Sunday, including topical comment, policy insight and ideas from the SSAT network.

SSAT National Conference

Take up your membership place at our annual two-day conference to hear from expert speakers and innovative school leaders, and network with other educators.

SSAT Annual Lecture

Attend the annual SSAT event bringing together school leaders, employers, government representatives and community leaders to discuss the big topics affecting education and the future of young people's lives.

SSAT Leadership Legacy Project

The opportunity for you to nominate a high-potential future leader for a place on our year-long initiative developing skills through SSAT events, school visits, shadowing opportunities, resources and networking.

WHY BECOME A MEMBER?

- ▶ Collaborate with schools facing similar challenges, and learn about best practice initiatives from schools across the network
- ▶ Stay up to date with the latest policy updates and guidance, and gain insight from education experts from SSAT, around the country and across the world
- ▶ Benchmark your school's performance and support your school improvement programme
- ▶ Get discounts on the best CPD for staff across your school
- ▶ Recognise your success, celebrate the success of others and take your place in a community of schools helping to improve outcomes for all young people

"It's a network to die for. SSAT have such a breadth of knowledge from all the different schools they have worked with and visited. Their system knowledge is unrivalled."

Stephen Tierney, Blessed Edward Bamber Multi-Academy Trust
