

SSAT Secondary Network

SSAT Secondary Network

SSAT's Secondary Network is the most vibrant and longest-standing network of schools in the UK. With over 30 years of experience, our mission is to create opportunities for schools to collaborate and share knowledge, inspiration and best practice.

Drive forward whole-school/academy improvement using member-exclusive resources

- Review your school improvement strategy with SSAT's Framework for Exceptional Education
- Support your curriculum planning with the Four Pillars of Curriculum Design
- Engage with SSAT Parental Partnership and SSAT Student Leadership audit frameworks
- Benchmark your outcomes and identify gaps with SSAT's Educational Outcomes database

Take advantage of unique opportunities to develop staff at different stages in their career, strengthening your retention strategy and succession planning

- Encourage teacher participation in the launch of the online SSAT Early Career Teacher Inspirations
- Enrol a recently qualified teacher onto the SSAT's Leadership Legacy Project
- Support development of senior leaders through engagement in member-exclusive webinars
- Inspire staff with learning and networking opportunities at the SSAT National Conference
- Access exclusive discounts on all SSAT CPD for school improvement

Keep up to date with and make sense of changes to policy and practice; explore solutions that can work in your context

- Ensure staff receive valuable insights from the network with the weekly Sunday Supplement
- Give colleagues opportunities to receive and share best practice via the termly SSAT Journal
- Access evidence informed publications and practical resources on SSAT's member-only library
- Receive updates on topical education news, policy and practice with webinars by SSAT experts

Give your students and teachers the formal recognition they deserve for the contributions they make to your school/academy community

- Give students' the recognition they deserve with the Student Leadership Accreditation scheme
- Recognise teachers' contributions to school by nominating an SSAT School Hero each week
- Praise a student's efforts with an SSAT Student Hero of the Term certificate each half term
- Contribute to SSAT events and activities to share successes nationally in the SSAT network

Contribute to discussions on national issues that affect our schools, students and teachers

- Get ongoing exclusive access to various email and online discussion forums, webinars, discussion dinners, roundtable discussions, publications Q&A sessions with policy makers and thought leaders.
- Stay connected to the issues that matter as we continue to work with influential organisations, charities and individuals such as Rt Hon David Lammy MP, patron of SSAT's Deep Social Justice campaign.

SSAT's system knowledge is unrivalled. They have such a breadth of knowledge from all the different schools they have worked with and visited.

Stephen Tierney, Blessed Edward Bamber Multi-Academy Trust

SSAT's approach to principled curriculum design made us to think deeply about our curriculum, helping us pave our way to improvement one thoughtful question at a time.

Michael Todd, Deputy Headteacher, Bishop Thomas Grant Catholic Secondary School
