

SSAT Membership

An unmissable membership for primary, secondary and special schools

Find out why so many schools choose SSAT membership

An invitation to join us

We are SSAT, *The Schools, Students and Teachers Network.*

SSAT's membership networks have been creating opportunities for schools to connect and collaborate for over 30 years. Our membership is continually evolving, ensuring that we offer up-to-the-minute advice and support, whilst also remaining true to the principles which have informed our practice since 1986.

Membership provides a comprehensive suite of CPD tools and programmes, with tailored support for primary, secondary and SEND settings.

Opportunities for ALL of your leaders

► Leadership Legacy Project

A unique, year-long opportunity for an emerging leader in your team.

► Leading for Equity and Excellence programme

Six online modules and two in-person events for two members of your staff to join.

► SSAT Middle Leadership programme

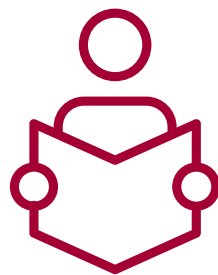

Five online training modules for six of your middle leaders to join.

► SSAT Student Leadership Accreditation

National recognition for an unlimited number of your students/pupils.

Powerful tools for school improvement

► Educational Outcomes

A member-exclusive tool which brings together available data on your school and all schools nationally.

► SSAT Framework for Exceptional Education

Get a fresh take on self-review and action planning with our framework, co-produced with member schools.

► SSAT Culture Survey

Participate in our culture survey to gain a temperature check of your school's culture and see how you compare to schools nationally.

Connections and insights

► SSAT member conference

Connect and share practice in-person and online.

► Member webinars

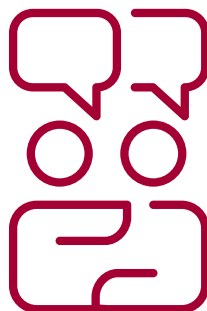

Regular updates, providing policy briefings, interesting speakers on key issues and overviews of evidence and research.

► SSAT publications

Regular publications and pamphlets, including the SSAT termly journal and regular member updates.

► Speak with our team

Our education team have a wide range of specialisms and are always happy to connect with schools and support teachers and leaders with their school improvement priorities. Every member school also has a relationship manager, who can support you in making the most of membership.

“

SSAT's system knowledge is unrivalled. They have such a breadth of knowledge from all the different schools they have worked with and visited.

*Stephen Tierney, Former CEO,
Blessed Edward Bamber Multi-Academy Trust*
