Belong, Connect, Improve

*Proud to have been connecting
schools for over 35 years*

Welcome to SSAT Membership

We are proud to have been connecting schools for over 35 years.

We believe that the challenges school leaders and teachers face are best tackled collaboratively, and together we will build a brighter future for education.

Belong

Our 'by schools, for schools' ethos underpins everything that we do, and our support tools and programmes are designed with that in mind.

Connect

We believe that the challenges school leaders and teachers face are best tackled collaboratively. We connect you with others on a shared journey.

Improve

Our insight and expertise enables us to tailor professional development and school improvement programmes which achieve effective and sustainable outcomes.

We know that leadership at all levels is **key to school improvement**. This includes everyone in school – staff and students.

That's why SSAT membership is designed to support you to whether you are **developing your emerging leaders** or **equipping your existing leaders**.

Leadership training and programmes

Our experience and impact in leadership development is hard to rival. This year we've updated our member leadership programmes for even greater impact.

Leadership Legacy Project (one free member place)

A year-long programme which promotes leadership development for high potential teachers in the early stages of their career.

Middle Leadership programme (three free member places)

A year-long programme for current and aspiring middle leaders, which includes a supported school improvement project and collaborative workshops with colleagues from other schools.

Senior Leader Inspirations briefings (unlimited places)

Termly online briefings on topical issues for all senior leaders. Unlimited places for member schools.

Student Leadership for IMPACT

Focusing on 18 essential skills and abilities, our recognition schemes for your students and school provide a meaningful framework to develop and celebrate student leadership that drives positive change within the school and beyond.

Leadership tools and resources

Resources, tools and analysis to support self-review and ongoing improvement.

SSAT Framework for Exceptional Education (FfEE)

Designed and reviewed in collaboration with member schools, our Framework for Exceptional Education (FfEE) offers a fresh take on school improvement frameworks. An invaluable tool to support self-review and planning across twelve key strands of practice.

Culture Survey

An opportunity to gain unique insights into the culture of your school and how it compares to others in the network. An example of the personalised reports participating schools receive and the 2025 report are available on our website in our members' library.

Educational Outcomes

Exclusive to SSAT members, all of the publicly available data on all schools nationally in one, easy-to-navigate tool. View your school's dashboard and that of any other state school.

Exceptional performance of schools within our network is recognised through our Educational Outcomes Awards.

Implementing Effective Change

A series of resource packs, co-created with the EEF and the Research Schools Network, to support your team in working collaboratively to develop their implementation practice, making sure changes you implement in school have meaningful and sustained impact.

Keeping you up-to-date

The pace of change in education is often rapid and it can be hard to keep up-to-date with the latest guidance and members' exclusive research.

- ▶ **Spotlight** – regular e-newsletter sharing news, views and ideas from the network and beyond.
- ▶ **The Library** – your members' area, full of tools and resources.
- ▶ **Conference** – network with peers from other schools.

Let's work together to build a brighter future for education.
