

# Going Further with Formative Assessment

## Are you looking to sustain the impact of the Embedding Formative Assessment programme?

Going Further with Formative Assessment is designed to support you in your next steps through a package including:

- ▶ A tool for quality assurance.
- ▶ Staff development.
- ▶ Professional learning for your whole team.

### Introducing your trainer

Lisa Duffy is one of the most experienced members of our EFA mentor team. A former headteacher, Lisa has a wealth of experience in supporting practice in formative assessment both at classroom and strategic level.

### Want to know more?

Book a call with our team to find out more about the benefits of Going Further with Formative Assessment today.

### Your support package:

- ▶ The opportunity for a member of your team to gain accreditation as a [Lead Practitioner in Formative Assessment](#).
- ▶ A new **quality-assurance diagnostic tool** to support you in benchmarking your practice in formative assessment and identifying next steps.
- ▶ Three **fully resourced downloadable TLC workshops** (one per term) to support your team in revisiting the principles of formative assessment and extending their practice further.

### ▶ Training:

#### **New team members**

*(Up to ten places per workshop)*

Five practical training sessions to help new staff get up to speed with your school's formative assessment journey.

#### **Strategic leads**

*(Up to two places per workshop)*

Three expert workshops for those with strategic responsibility for formative assessment.

All sessions take place online, 15:45 – 16:45.

**Price:** £650 + VAT SSAT members / £795 + VAT non-members.
